ceptions; and there can be no possible mission. Having in the elections ordered by the Governor, elected a sufficient number to give the majority a quo-

olutionary turbulance. GRANT'S PRESS ORDER.

It is understood that Lieut, Ger GRANT'S famous Press Order perished open the promulgation of the Proclams tion of Peace by the President. We regret this, as we had indulged strong hopes of an amendment in the manners of some of the Hadical presses, from the discipline of the Commander of the Army. We had the honor, a week or so ago, to call the attention of that personage to the case of a fellow up in Indiana. whose beastly binckguardism of the President was so flagrant, that we are revenaded it would not have been allowed to pars without at least a "warning." Light-Gen. Grant having taken it upon himself to variegate his military duties by exercising the functions of a Censor of the Press, would surely not have permitted to pass unrebuked such a libellous and licentions attack upon the Commander-in-Chief. But, we suppose, the explosion of the Proclamation under "Order No. -" has opened a hole in it through which this editor will tion as a discriminating and Just Censor | zens of North Alabama. of the Press, was yet to make, and the Israel Henderson, of the Louisville March at the above ports were: We would suggest that he compensate
